

1. Housing Crisis Policies: "The Czech government should solve the housing crisis mainly by simplifying construction approvals rather than through increased subsidies." Example: Streamlining approval procedures to speed up the building of affordable housing.

| Agree | Neutral | Disagree |
|--------------------------|-----------------|---------------|
| SPOLU, STAN, Piráti, ANO | Zelení, Přísaha | SPD, Stačilo! |

2. Managing Inflation: "Long-term economic reforms and diversification are better strategies for managing inflation than immediate solutions like price controls or fines." Example: Investing in technology and innovation rather than imposing temporary price caps on essential goods.

| Agree | Neutral | Disagree |
|-----------------------------|--------------|---------------|
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

3. Economic Growth vs. Climate: "Prioritizing economic growth and traditional industries is more important than addressing climate change." Example: Continuing significant state support for traditional automotive industries instead of transitioning funds to green technologies.

| Agree | Neutral | Disagree |
|-----------------------------|---------|----------------------|
| ANO, Přísaha, SPD, Stačilo! | SPOLU | STAN, Piráti, Zelení |

4. EU Membership and Authoritarian Regimes: "The Czech Republic should strengthen its EU membership and minimize relations with authoritarian regimes." Example: Reducing economic dependency on countries with authoritarian governments such as Russia or China.

| Agree | Neutral | Disagree |
|-----------------------------|---------|---------------|
| SPOLU, STAN, Piráti, Zelení | ANO | SPD, Stačilo! |

5. NATO Membership: "The Czech Republic should consider exiting NATO." Example: Evaluating alternative defense alliances or neutrality.

| Agree | Neutral | Disagree |
|---------------|---------|----------------------------------|
| SPD, Stačilo! | Přísaha | SPOLU, STAN, Piráti, Zelení, ANO |

6. Corporate Taxes: "Large corporations should pay higher taxes to improve funding for healthcare, education, and infrastructure." Example: Increasing corporate tax rates on multinational companies to fund public hospitals.

| Agree | Neutral | Disagree |
|--------------------------|--------------------|------------|
| Piráti, Zelení, Stačilo! | STAN, ANO, Přísaha | SPOLU, SPD |

7. Business Subsidies: "Government subsidies to businesses should be minimized to allow free market competition to drive growth." Example: Reducing state financial support for large enterprises, allowing market forces to determine success.

| Agree | Neutral | Disagree |
|---------------------|----------------------|---------------|
| SPOLU, STAN, Piráti | Zelení, ANO, Přísaha | SPD, Stačilo! |

8. Women's Rights: "Further progress is needed to achieve true gender equality in the Czech Republic." Example: Introducing stronger workplace protections against gender discrimination.

| Agree | Neutral | Disagree |
|-----------------------------|--------------|---------------|
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

9. Definition of Marriage: "Marriage should remain exclusively between a man and a woman." Example: Opposing legislation that allows same-sex marriage.

| Agree | Neutral | Disagree |
|-----------------------------|-------------|----------------|
| ANO, Přísaha, SPD, Stačilo! | SPOLU, STAN | Piráti, Zelení |

10. Local vs. Central Governance: "Local and regional authorities should have greater decision-making powers compared to the central government." Example: Allowing regions to independently manage education and healthcare policies.

| Agree | Neutral | Disagree |
|-----------------------------|--------------|---------------|
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

11. Impact of Anti-Minority Politics: "Politicians who blame minorities for societal issues threaten democracy and societal harmony." Example: Criticizing political rhetoric that targets minorities, fostering division.

| | | |
|-----------------------------|----------------|-----------------|
| Agree | Neutral | Disagree |
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

12. Recognition of Foreign Qualifications: "The Czech Republic should streamline and expedite recognition of foreign professional qualifications." Example: Faster validation processes for foreign-trained healthcare professionals and teachers.

| | | |
|-----------------------------|----------------|-----------------|
| Agree | Neutral | Disagree |
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

13. Accelerating Citizenship for Contributors: "The Czech Republic should simplify and accelerate citizenship procedures for foreigners significantly contributing to society." Example: Quicker citizenship paths for highly skilled professionals, entrepreneurs, or healthcare workers who actively support Czech society.

| | | |
|-----------------------------|----------------|-----------------|
| Agree | Neutral | Disagree |
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

14. Support for Ukraine: "The Czech Republic should actively support Ukraine against Russian aggression through humanitarian and military assistance." Example: Providing military aid, medical supplies, and refugee assistance to Ukraine.

| | | |
|-----------------------------|----------------|-----------------|
| Agree | Neutral | Disagree |
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

15. Promoting Equal Opportunities: "Laws and policies should actively promote equal opportunities within Czechia's multicultural and diverse society." Example: Implementing anti-discrimination policies and diversity training in public institutions.

| | | |
|-----------------------------|----------------|-----------------|
| Agree | Neutral | Disagree |
| SPOLU, STAN, Piráti, Zelení | ANO, Přísaha | SPD, Stačilo! |

16. Wealthy Politicians and Democracy: "Wealthy politicians with conflicts of interest pose significant threats to Czech democracy's integrity." Example: Advocating for stricter conflict-of-interest laws to prevent business leaders from unduly influencing politics.

| Agree | Neutral | Disagree |
|--------------------------------------|---------|--------------------|
| SPOLU, STAN, Piráti, Zelení, Příklad | | ANO, SPD, Stačilo! |
